2/20/2019

Subject: Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) – including the additions made in January 2019.

Weico Wire's PVC & PTFE Insulated products are in compliance with Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

To the best of our knowledge, the components of the wire part(s) listed below such as copper, resins, or colorants that are intentionally added during the manufacturing process do not contain any chemicals on the "Candidate List of Substances of Very High Concern for Authorization" (SVHC) in excess of the of the threshold limits of 0.1% by weight.

If you have additional questions, please contact Weico Wire and your Account Management Representative at (631)254-2970

Thank You,

Philip Abshire
